

*** GIFT FROM SJSS SYDNEY ALUMNAE ***

Our XSJSS Sydney Committee were very pleased to be able to assist and fulfil the request of the School Principal who was supported by the School Chaplain for a large Ciborium and Chalice and a Lunette.

They saw the need for the School Formation Programme, that focuses on the girls' spiritual and character development.

The Ciborium and Chalice are sacred vessels which are used for the distribution of the Eucharist in the celebration of the Mass. The Mass being the centre of our Catholic Faith.

The Lunette is used for the exposition of the Blessed Sacrament during the celebration of Benediction. It is a smaller and simpler version of a Monstrance (which is the traditional sacred vessel used in Benediction).

The welcome arrival of the sacred vessels received by Principal Mrs Jacqueline Low, School Chaplain – Sr Lusiana and President of the SJSS Parents and Teachers Association, Mrs Marcia Tabualevu.

It was wonderful to see the students spirituality in practice when they processed with the Chalice and Ciborium at the celebration of their first Mass of the 2019 school year.
